

Giggle & Grow with God

St. John Eudes Infant & Toddler Programs

Welcome to the Nursery!

We want you and your family to feel comfortable in the nursery. Here is some useful information that will help you to become more familiar with us.

Ages

- The nursery is open to infants and toddlers up to 3 years of age.

Sign-In

- The sign-in sheet will be posted outside the door. The parent/guardian who brings in the child (or children) should sign in him or her (individually if more than one) to the nursery.
- If your child is new to the nursery, please take a moment to fill in a short *Child Information Sheet*, also posted outside the door.
- Print your child's name on the name tag provided and place it on his/her back. We request that parents label all diaper bags using the additional label provided. Masking tape is available for other items you wish to label.

Dropping Off and Picking Up

- If you arrive before the nursery attendant, please stay with your child until the attendant arrives. Children are not to be left alone.
- Please do not send older children to drop off or pick up your child. If an adult other than the parent/guardian has permission to pick up the child, please inform the nursery staff.
- Be sure to sign out your child when you pick him/her up.
- Please pick up your child as soon as possible following Mass or other parish activity.

Diaper Bag Needs

- Diapers or Pull-Ups
- Plastic bottle or cup
- A change of clothes

Illness

- Please do not bring your child to the nursery if she/he is not feeling well.

Nursery attendants may not give medication to any child.

Thank you for your family's cooperation. We want all of our little ones to be happy,
